

GIAN CARL P. LIBRADA

San Pedro, Laguna, Philippines | 09504626311 | iamgiancarlli@gmail.com

SUMMARY

Detail-oriented individual with practical experience in software testing and web development. Skilled in executing test cases, reporting software defects, and validating the functionality of websites and mobile applications. Quick to learn new technologies and committed to delivering reliable, high-quality solutions.

WORK EXPERIENCE

Manual QA Tester, Test IO

Oct 2025 - Present

- Performed test case execution to validate system behavior, identify defects, and confirm expected functionality.
- Documented detailed bug reports with clear steps, expected vs actual results, and supporting evidence
- Performed exploratory and regression testing across games, e-commerce platforms, mobile applications, and websites to ensure functionality, stability, and overall user experience.

INTERNSHIP EXPERIENCE

Web Developer Intern, Magellan Solutions

Aug 2025 - Oct 2025

- Collaborated in developing a website using Laravel based on project requirements.
- Created flowcharts and documentation, and tested the system to ensure proper functionality.

IT Intern, Diabetes Philippines

Feb 2025 - Apr 2025

- Collaborated in developing a website prototype for an online appointment system
- Designed promotional materials (PUBMATS) for events and online use
